

Hope For Youth is developing their 40th Anniversary to be held on November 9, 2009 titled Cornucopia of Hope. Cornucopia of Hope will honor its Alumni.

As part of this celebration, we are collecting memories from alumni and former staff who are willing to share their personal reflections of Hope For Youth. We are hoping you would consider joining this effort and sharing some of your personal story. To facilitate this effort we have developed the following five question for the information we are collecting. We hope to include these stories in a 40th Anniversary Journal which will illustrate the transformative role Hope For Youth has played in the lives of so many young men and women.

1. What were you doing before you came to Hope For Youth?

2. When were you at HFY and which group home or foster home did you live in?

3. What are your memories of HFY?

Continued

4. Tell us about your life today

5. May HFY print your name with your response?

Yes, print my name as follows_____

Maybe, but I'd like to discuss it with you first_____

No, I'd like to be anonymous_____

Signed _____
